SUMMARY OF THE REASONS FOR DECISION:

The video recording entitled *Big "E" Vol 3* is classified as:
Objectionable.

Big "E" Vol 3 contains seven separate segments each explicitly depicting sexual activity including the use of enemas. The video recording depicts people being forcibly tied to beds, or physically assaulted, before having enemas forced into them despite verbal and physical protests. The forced administering of enemas is presented in a manner designed to sexually arouse and therefore the video recording tends to promote and support the use of violence and coercion to compel persons to submit to sexual activity.

Section 14 of the New Zealand Bill of Rights Act 1990 (the NZBR Act) does not apply to this publication. Under s3(2) of the Films, Videos, and Publications Classification Act 1993 (the FVPC Act) the tendency to promote and support the use of violence and coercion deems a publication objectionable. Section 3(2) overrides s14 of the NZBR Act because it is a deeming provision which cannot be given a meaning consistent with the rights and freedoms of s14.
